<p>Why do you get an error when you return to a previously viewed screen?</p>	<ul style="list-style-type: none"> When using JLP iSupplier, you should not use the browser 'Back' button. Instead, you should click on links displayed within JLP iSupplier, such as those shown below:  <p>The screenshot shows a navigation menu with the following items: Home, Orders, Receipts, Invoices & Payments, Your Details, Create Invoices, View Invoices, and View Payments.</p>
<p>How do you change your password?</p>	<ul style="list-style-type: none"> Click the 'Preferences' button on any page  <p>The screenshot shows a navigation menu with the following items: Home, Logout, Preferences, and Help. The 'Preferences' button is circled in red.</p> <ul style="list-style-type: none"> In the Change Password section...  <p>The screenshot shows the 'Change Password' form with the following fields: Known As, Old Password, New Password, and Repeat Password. A tip at the bottom reads: 'TIP Please enter your old and new passwords. Passwords are case sensitive.'</p> <ul style="list-style-type: none"> Enter Old Password Enter New Password <p>Repeat new password in Repeat Password field</p>  <p>The screenshot shows three buttons: Cancel, Reset to Default, and Apply. The 'Apply' button is circled in red.</p> <ul style="list-style-type: none"> Click 'Apply' button to reset the password.
<p>Are there any rules around choosing passwords?</p>	<ul style="list-style-type: none"> To maximise the security of passwords, there are a number of rules around the content and duration of your password. The rules are: <ul style="list-style-type: none"> Minimum of eight characters The password should contain UPPER, lower and numeric characters There should be no repeating characters Passwords are case sensitive You cannot re-use a previously used password Passwords expire after forty-five days Passwords should not contain spaces
<p>How do you access the JLP iSupplier Login Page?</p>	<ul style="list-style-type: none"> You can access the JLP iSupplier login page using the following link: <p>http://jlp suppliers.com/isupplier/</p>

<p>How do you reduce the search results?</p>	<ul style="list-style-type: none"> JLP iSupplier allows you to use a '%' symbol as a wildcard when completing searches, for example, when searching for an Invoice Number, you know it begins with 'INV', but are not sure of the remaining numbers. You can search for 'INV%' - this will then return all invoices which begin with the characters INV The wildcard can be used either side of a search, for example, if you know a Purchase Order number contains the sequence 4567, but are not sure what precedes or follows the sequence, you can search for %4567% to obtain all records where the sequence 4567 appears.
<p>Why do you get the error message 'Invoice Gross Amount does not match the sum of Net Amount and Tax Amount'?</p>	<ul style="list-style-type: none"> In the Invoice Entry screen ensure the Net Amount + VAT Amount = Gross Amount
<p>Why do you get the error message 'Tax Rate of exchange should be a positive number with no more than 4 decimal places'?</p>	<ul style="list-style-type: none"> In the GFR Invoice Entry screen section, when you have selected a currency other than GBP, a 'Tax Rate Of Exchange' box will appear and this needs to be filled with a positive number and be less than 4 decimal places if you are submitting the invoice with Tax. Please check that the rate entered is correct and if you are invoicing with zero VAT you will need to ensure that you have 'Zero (0%)' as the VAT code on the invoice line.
<p>Why do you get the error message 'Tax Rate of Exchange is mandatory if tax is greater than zero for the invoice total'?</p>	<ul style="list-style-type: none"> In the GFR Invoice Entry screen section, when you have selected a currency other than GBP, a 'Tax Rate Of Exchange' box will appear and this needs to be filled if you are submitting your invoice with tax greater than zero. Please ensure that you have entered your tax rate of exchange or amend the VAT on the invoice line/s to 'Zero (0%)' as the VAT code.
<p>Why do you get the error message 'PO Line currency must match the header currency for the invoice'?</p>	<ul style="list-style-type: none"> In the GFR Invoice Entry screen section, when you have selected your currency and then entered your PO Number, the currency on the order must match the currency you have entered on the invoice. Please ensure that the currency you have entered is the same as the order.
<p>How can you view more than 25 search results?</p>	<ul style="list-style-type: none"> When you search for data within JLP iSupplier, the system will return the 25 most recent records  <ul style="list-style-type: none"> To view more, click the Next 25 button appearing at the top and bottom of

	<p>the search results</p> <ul style="list-style-type: none"> To return to the previous data, click the Previous 25 button 												
<p>Why can't you see the GNFR Purchase Order within JLP iSupplier?</p>	<ul style="list-style-type: none"> The Operating Unit determines the area of the Partnership responsible for the Purchase Order, Invoice or Receipt. This is displayed on the PO. You can also deduce the Operating Unit from the first few digits in the PO number: <table border="1" data-bbox="544 465 1177 719"> <thead> <tr> <th>Operating Unit</th> <th>Purchase Order Number</th> </tr> </thead> <tbody> <tr> <td>John Lewis Division</td> <td>220XXXXXXXX</td> </tr> <tr> <td>Waitrose Division</td> <td>120XXXXXXXX</td> </tr> <tr> <td>John Lewis Corporate</td> <td>320XXXXXXXX</td> </tr> <tr> <td>Waitrose Guernsey</td> <td>705XXXXXXXX</td> </tr> <tr> <td>Waitrose Jersey</td> <td>706XXXXXXXX</td> </tr> </tbody> </table> When entering an invoice, ensure you have selected the correct operating unit on the invoice header 	Operating Unit	Purchase Order Number	John Lewis Division	220XXXXXXXX	Waitrose Division	120XXXXXXXX	John Lewis Corporate	320XXXXXXXX	Waitrose Guernsey	705XXXXXXXX	Waitrose Jersey	706XXXXXXXX
Operating Unit	Purchase Order Number												
John Lewis Division	220XXXXXXXX												
Waitrose Division	120XXXXXXXX												
John Lewis Corporate	320XXXXXXXX												
Waitrose Guernsey	705XXXXXXXX												
Waitrose Jersey	706XXXXXXXX
