To

This will all populate from the PO, the only area that requires your entry is **Tax Point Date. (Same date as the Invoice)** *Tax Point Date cannot be future dated.*

Lines

The Lines will populate with the full order values from the PO.

If you are not invoicing for the full PO amount then please amend the **Qty** field.

If you are a CIS Supplier please select the CIS Line Type from Labour, Materials and **OOS (Out of Scope)**

OOS acts the same as your PXXXXXXNonCIS site number as we have closed these sites down. This will not be calculated within any withholding tax calculations.

Taxes Section

VAT Rate = Use the drop down to select the correct % or EXEMPT, REVERSE CHARGE or OUT OF SCOPE. *Remember you may only charge VAT if you are VAT registered.*

The VAT amount will automatically be calculated, you will not be able to amend this field.

Tax reference = Your VAT registration number.

'Add Lines', 'Pick lines from PO' - **Use these options if you wish to add invoice lines.**

'Pick lines from Contract - **DO NOT use this option**

Totals & Taxes

This will show the totals for lines & VAT. You will be able to enter any shipping in this section.

VAT = Use the drop down if there is VAT to be charged as per the same rules as above.

The VAT amount will automatically be calculated, you will not be able to amend this field.

Tax reference = Your VAT registration number.

Finalising the Invoice

Click **Calculate** and check the values are correct as per what you are expecting to invoice.

Click **Submit**, you will get the following warning - *'Coupa is about to create an invoice on your behalf. Please make sure you are not attaching another invoice to this transaction as the Coupa generated PDF is your and your customers legal invoice.'* Any other warnings will detail any errors with the invoice.

Click **Send Invoice**, you will return to your invoice homepage where you will see the invoice as a status of 'Processing'. You can use this screen to see the status of all your invoices too.
