

How to access the Avery Dennison Ordering Portal:

To order your RFID tags from Avery Dennison, you will need to use their ordering portal, WCS:

www.webservices.averydennison.com

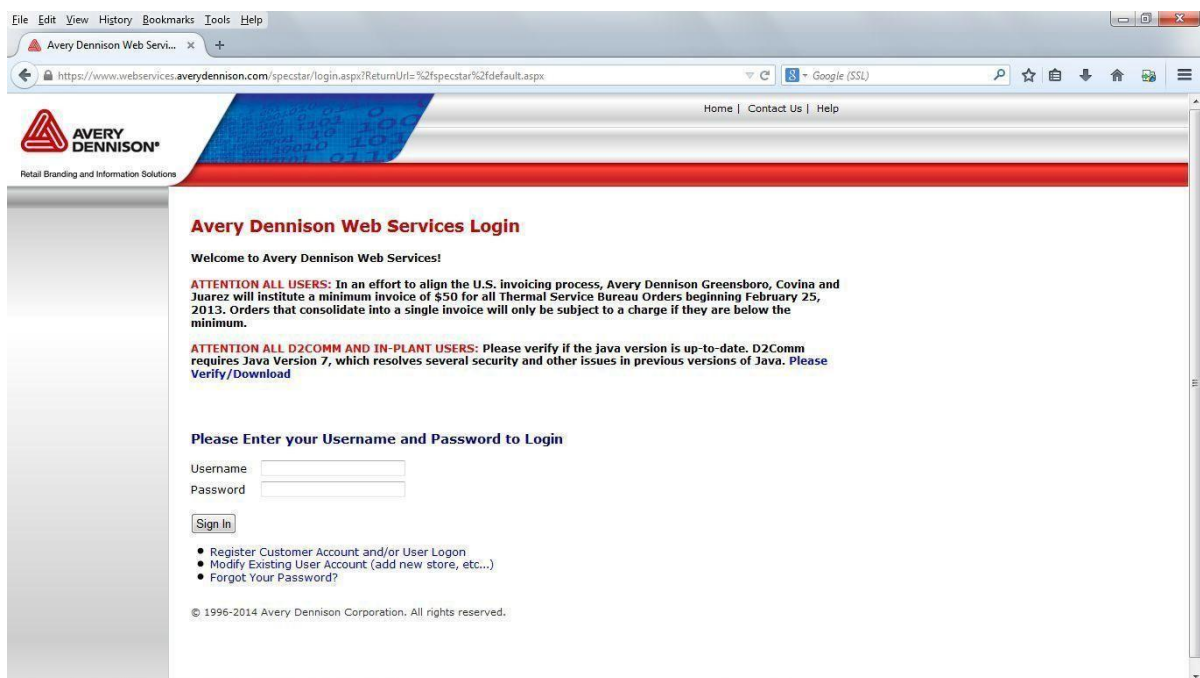

How to create a login for the ordering portal:

1. To order your RFID tags on the ordering portal, you will need an account and login set up.
2. Contact your local Avery Dennison bureau with your Supplier ID (this is your Ordering Supplier Number/Supplier Number) and the regions you manufacture in.
 - a. If you require RFID tags in multiple locations, please liaise with each customer service team prior to placing any orders.
3. Please identify from the list below where your local production site will be:
 - **Avery Dennison Spain** (For all E.U. based suppliers including UK / Greece / Hungary / Lithuania / Malta / Morocco / Tunisia / Italy / Bulgaria / Egypt)
- JLP_PGAL@eu.averydennison.com
 - **Avery Dennison Romania** (For suppliers based in Romania and Turkey): -
andreea.ruleacov@eu.averydennison.com
 - **Avery Dennison Bangladesh** (For suppliers based in Bangladesh only):
- JLP_PBNG@eu.averydennison.com
 - **Avery Dennison Panyu** (For suppliers based in China / Hong Kong / Taiwan / Philippines):
- JLP_POHK@eu.averydennison.com
 - **Avery Dennison Vietnam** (For suppliers based in Vietnam / Cambodia):
- JLP_PXVN@eu.averydennison.com
 - **Avery Dennison India Bangalore** (For suppliers based in India and Mauritius):
- JLP_PIND@eu.averydennison.com
 - **Avery Dennison Sri Lanka** (For suppliers based in Sri Lanka and nearby) -
JLP_PSRI@eu.averydennison.com

4. It can take up to **10 working days** to create an account, depending on the speed of return of completed vendor checks form. The results of the checks will determine whether a credit or proforma account is set up. Production of RFID tag orders will **not** start until a login is set up. Please note, that for new accounts, a credit check needs to be completed before placed orders can be fulfilled.
5. Avery Dennison will email you with your username and password

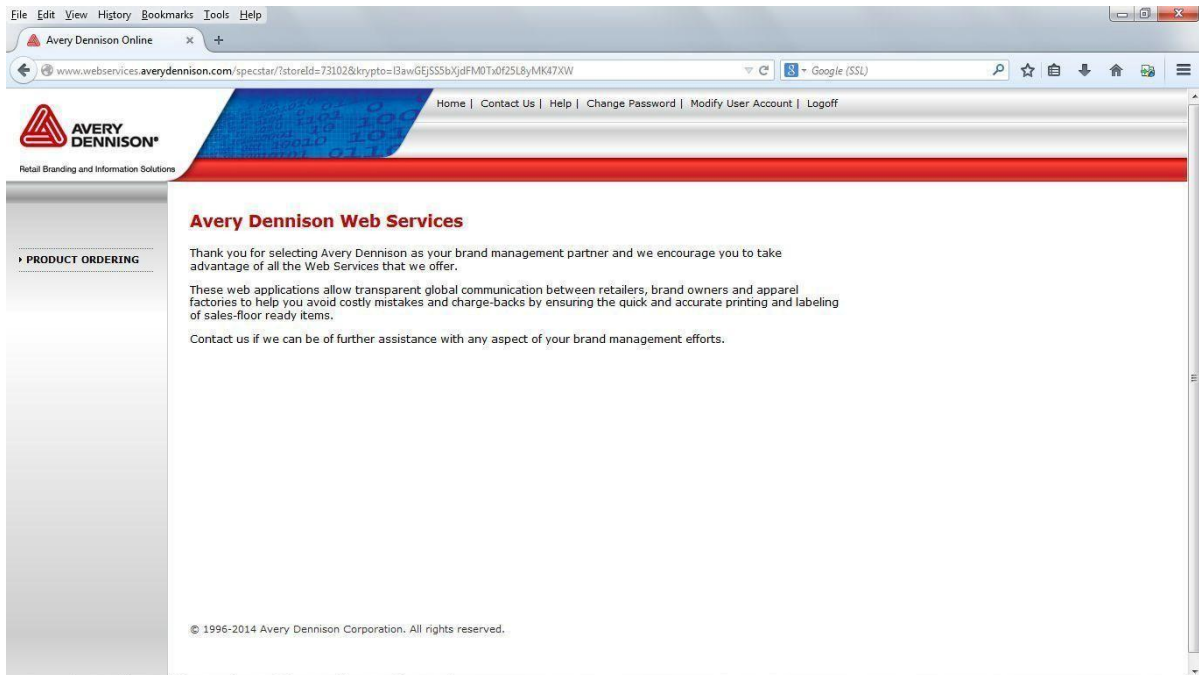

How to log into the Avery Dennison WCS portal:

1. Go to www.webservices.averydennison.com and enter your user name and password:

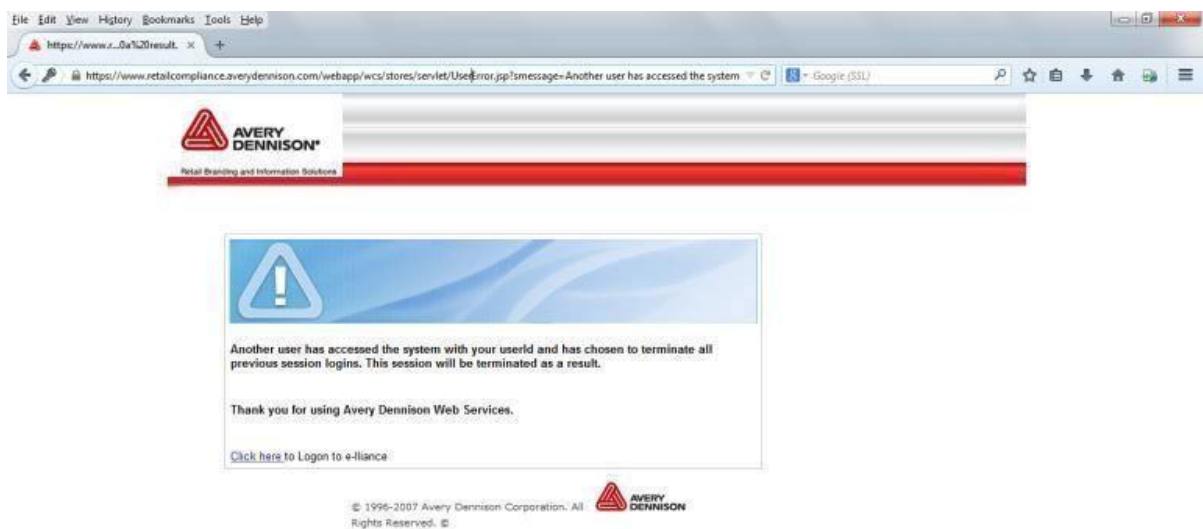

The screenshot shows a web browser window with the URL <https://www.webservices.averydennison.com/specstar/login.aspx?ReturnUrl=%2f%2fdefault.aspx>. The page features the Avery Dennison logo and the text "Retail Branding and Information Solutions". The main heading is "Avery Dennison Web Services Login". Below this, it says "Welcome to Avery Dennison Web Services!". There are two important notices: one for all users regarding a minimum invoice of \$50 for Thermal Service Bureau Orders starting February 25, 2013, and another for D2COMM and in-plant users regarding Java version 7 requirements. The login section is titled "Please Enter your Username and Password to Login" and contains input fields for "Username" and "Password", followed by a "Sign In" button. At the bottom, there are links for "Register Customer Account and/or User Logon", "Modify Existing User Account (add new store, etc...)", and "Forgot Your Password?". The footer includes the copyright notice "© 1996-2014 Avery Dennison Corporation. All rights reserved."

2. Click 'Product Ordering' from the menu on the left:

a. If you have not correctly logged out of a previous session, you will see this screen:

b. You will need to go back to the Login page to start again

3. You are now on the ordering home page:
