| On product     | I64               |                     |
|                | On metal - skinny |                     |
| Box            | JLPS05            | 33mm x 18mm         |
| Metal tin      | On metal - skinny |                     |
| Swing tag      | JLPS05            | 33mm x 18mm         |

# Guidance

- 'On metal' tags are used for products containing metal elements as it interferes with the RFID tag. This includes foiling on the packaging or the item containing any metal elements itself including glitter, metallic thread or beauty products with certain ingredients.
- Please use the image guidance for guidance on how and where to attach your RFID tag to your packaging / product.
- PEAN labels are the type where the price is included on the label.

# Application Guidance

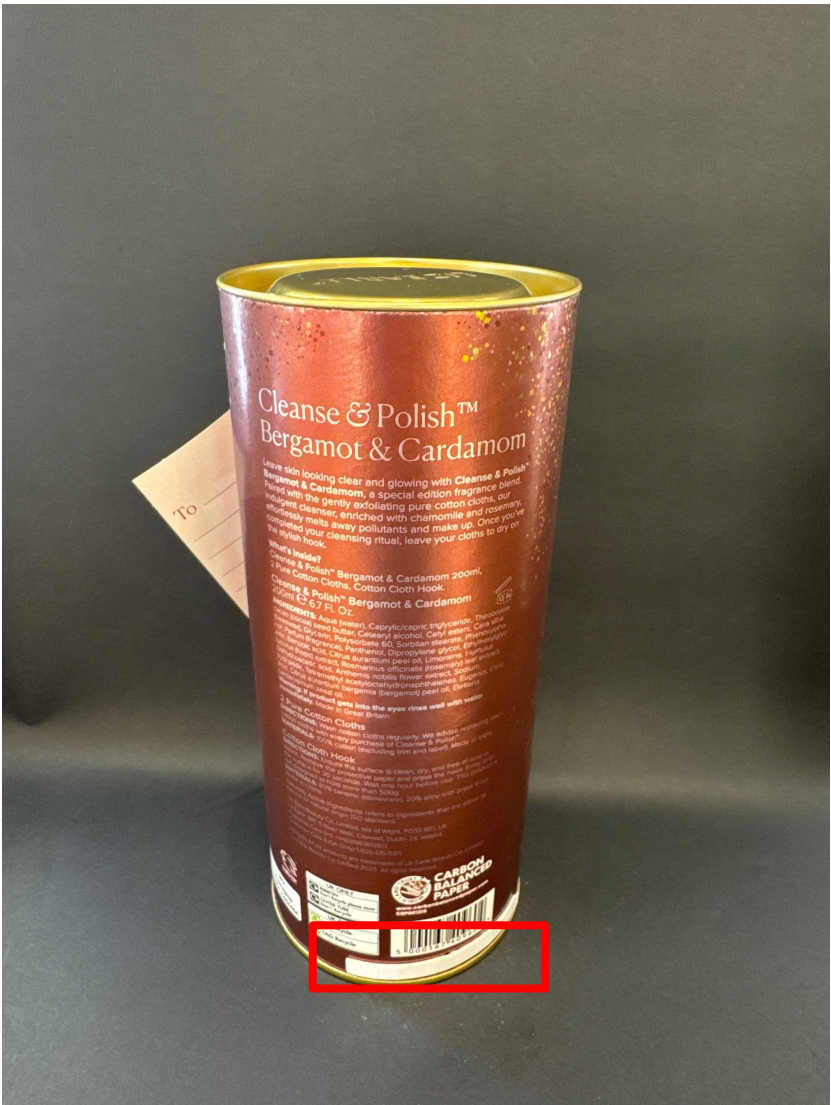

I64

JLPS05

On metal - skinny

Tag type - I64, JLPS05 or On metal - skinny  
Images are for guidance of tag application only  
Choice of tag type is for supplier to decide dependant on packaging format
