Speaker	Branded	Closed Box	JLPS010	76mm x 25mm
Media Storage Unit	Branded	Closed Box	JLPS010	76mm x 25mm

Guidance

- 'On metal' tags are used for products containing metal elements as it interferes with the RFID tag. This includes foiling on the packaging or the item containing any metal elements itself including glitter, metallic thread or beauty products with certain ingredients.
- Please use the image guidance for guidance on how and where to attach your RFID tag to your packaging / product.
- PEAN labels are the type where the price is included on the label.
